MEMORANDUM FOR: Director of Communications

SUBJECT : Communications Requirements for FY 1976

REFERENCE : Memo dtd 21 Feb 74 to C/PS/DDM&S fr D/L, same subj

1. The referent memorandum listed the Office of Logistics (OL) FY 1976 communications requirements which were sent to your office via the then Chief, Plans Staff, DDM&S. OL was advised that two requirements submitted for Printing Services Division (PSD) for FY 1976 would cost about \$2,500. Accordingly, it is requested that the necessary action be accomplished for installation of these two systems:

STATSPEC

a. Data link from [redacted] to the PSD main plant as part of the overall automation plan to avoid daily transportation of tapes from Key Building to PSD and to permit a more efficient production schedule; and

b. Data link from Office of Joint Computer Support to the PSD General Printing Plant for use with Xerox 1200 to speed up printing of computer-generated reports.

2. This memorandum confirms a telephone conversation held on 4 March 1975 between [redacted], Plans and Programs Staff, OL, and Mr. [redacted] of your Staff Operations Division. [redacted] further affirmed that the Office of Communications would assume the costs for these installations. If additional information is required concerning the above, please contact [redacted] on extension [redacted].
